DETAILED ACTION

This Office action is responsive to communication received 05/10/2006 –
Amendment A/F.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with J. Bennett Mullinax on May 22, 2006. During the interview, it was noted that claim 5, as presented in the instant amendment after final, was not presented with all of the limitations of the previous amendment of 11/17/2005. Applicant's attorney acknowledged the inadvertent error and agreed to the amendment of claim 5 to include the missing language.

The application has been amended as follows:

IN THE CLAIMS:

Claim 5 – line 4, after "heel, " and before the semicolon, the following phrase has been INSERTED: --said heel defining an upper edge and a lower edge, said upper edge and said lower edge being parallel and said heel having a height less than a height of said club head --.

Art Unit: 3711
